

MIRO HOUSE

## ABOUT MIRO:

In 2006 Miro Kubicek opened the doors on Miro House and quickly established a reputation that propelled international demand. We're credited with over 300 highly successful events and have become one of the fashion industry's most widely-used event propagations.

There's a key characteristic of every successful business and for Miro House is simple. The right attitude. It's the right attitude for professionalism. It's the right attitude about collaboration; and the right attitude for making every individual feel as if they deserve 5-star service.

## OUR SERVICES:

### FRONT OF HOUSE:

The right management of Front of House is often the difference between a good and a great event. First impressions are the most lasting, so make them count!

With Miro House each event is perfectly planned and matched with hand picked staff to make sure your guests are treated with absolute professionalism from the moment they make first contact until curtain drops.

You, as a client, can enjoy peace of mind knowing all your needs are being handled with high quality, professional and experienced personnel.

### RED CARPET:

From Red Carpet Management and Door Hosts, Miro House is your first and only point of contact. Expect absolute professionalism from the moment you make first contact until curtain drop. Enjoy peace of mind knowing your needs are being handled with high quality, professional and experienced personnel.

## OUR SERVICES:

### DOOR MANAGEMENT & SEATING:

We make it our business to know who's who and ensure we've done our research well before greeting your guests and considering seating arrangements. Our hosts are trained to meet and greet your guests on arrival.

From the moment your clientele step onto the red carpet, through to their final applaud, Miro House makes your show a flawless experience.

Our long standing experience in fashion industry around the world makes us specialists in developing seat plans and final execution of the seating process. We not only create your guest list, but work with the list and seat everybody accordingly. Whether it is for a fashion presentation, birthday party or celebration dinner - we provide easy solution to all your dilemmas with who should be seated where.
